

Dear Current and Prospective Members,

We are pleased to announce our Spring 2022 Semester!

OLLI is now open for enrollment and registration. If you need assistance, there are three different ways to get support:

1. Email us at olli@temple.edu
2. Call us at (215) 204-1505
3. Fill out this [Course Registration Assistance Request Form](#) so we know exactly how we can help.

Staff are available to assist today through Dec 22 at 3:00 PM, and January 3-7 from 9:00 AM-4:30 PM.

Please read all of the important information below and scroll to the bottom for the Spring Course Guide!

Membership Enrollment and Course Registration Details:

- You can enroll in an OLLI Membership and register for courses beginning 9:00 AM on Monday, December 13, through 5:00 PM, Friday, January 7.
- The cost to enroll is \$125 for a Spring-Only Membership, or \$165 for a Spring/Summer Membership.
- Remember, if you enrolled in the fall with a Full Year Membership, you do not need to re-enroll in the spring or summer.

Don't forget!

- You must first enroll in a membership before you can register for courses.
- Also, when you register for a course, you join the **Wait List**. Don't be alarmed. Everyone joins the **Wait List** first. Because several of our courses are in high demand, in order to accommodate our members who are not tech-savvy and have trouble registering online, we created a registration system in which there is no advantage to registering early, no disadvantage to registering later. After the registration period is over, we run a lottery on the oversubscribed courses, and it will randomly determine who will be registered in each course.
- You can reasonably assume that you will be registered for any course in which the Maximum Registrants listed is 150 or above.
- Scholarships are available for those who are unable to afford the membership dues. Please see the [Scholarship Request Form](#) for more information.

OLLI Website:

- We are pleased to inform you that we redesigned our website, thanks to Kate Hays and support from CE Systems at Temple. There are several new features, which we hope will make enrollment and registration simpler going forward. The website address is noncredit.temple.edu/olli
- For example, on every page you navigate to, you are given the option to return to the course registration page, where all the open courses are listed. Just click on the Course Registration button on the left. You no longer have to jump through hoops to get back.
- We've also eliminated a few steps in the registration process. We hope you will find this redesign both helpful and time-saving.
- Directions on how to join/enroll in OLLI as well as how to register for courses, can be found on the FAQs page.

Thanks for your participation in OLLI. We can't wait to see you in the spring. Reach out to anytime with any questions. Lastly, **please encourage your friends and relatives to join OLLI.**

With Warm Regards,

Adam Brunner, Director
