8. Click **Checkout** to proceed with the registration process. If you are also registering for the Component Mentoring, please see the instructions in step 6. This takes you to an account log in or creation screen where you will need to make a DestinyOne account. Under *I am a new DestinyOne user*, enter your email to begin the account creation process.

The only required information you must enter in order to create an account is:

- Username & password
- First & last name
- Date of Birth
- Email address
- Telephone
- Address

Make sure to initial to accept the privacy policies at the bottom of the form and **Continue Checkout**.

9. Select a Payment Method and Accept the Policy Confirmation. Once you see a receipt screen, you have successfully completed registration. **

Notes:

* - You may notice there is a second section under the NBPTS Component Mentoring course (EDU0010-008). In the event that you initially register for mentoring for 1-2 components but later decide you would like to have mentoring for the other 1-2 components as well, this is the section you should register for at that time. This is only if you wish to have mentoring for all 3-4 components but have only registered for 1-2 components. It is an easy way to add the extra 1-2 component mentoring and pay the extra \$150.00 if you decide you would like to do so in the future.

** - All registrations are final. No refunds will be given.
