

## Dear OLLI Members,

We are pleased to present to you our Fall 2021 Online Course Guide!

As you will see, thanks to our amazing volunteer instructors, we are able to provide you with a robust semester, full of fascinating and stimulating courses.

**Please read all of this important information below:**

- You can enroll in an OLLI Membership and register for courses beginning 9:00 AM on Monday, August 9, through 5:00 PM, August 20. The cost to enroll is \$290 for a Full Year Membership, or \$125 for the Fall Semester only.
- Don't forget! You must first enroll in a membership before you can register for courses. Also, when you register for a course, you join the **Wait List**. Don't be alarmed. Everyone joins the **Wait List** first. Because several of our courses are in high demand, in order to accommodate our members who are not tech-savvy and have trouble registering online, we created a registration system in which there is no advantage to registering early, no disadvantage to registering later. After the registration period is over, we run a lottery on the oversubscribed courses, and it randomly determines who is admitted to each course and who is not. You can reasonably assume that you are likely to get into any of the large courses.
- Scholarships are available for those who are unable to afford the membership dues. Please see the [Scholarship Request Form](#) for more information.
- If you need assistance, there are two different ways to get support:
  1. This semester we are offering a new support service -- volunteer Technology Ambassadors are available to help walk you through the process of enrollment or registration. If you would like assistance from a knowledgeable peer, please

email Donna Ferrari at [signoraferrari@aol.com](mailto:signoraferrari@aol.com) and include the following:

-- Your availability. Please list the best days/times for you to receive support during the two weeks of enrollment/registration (weekdays, 8/9 – 8/20)

-- Your phone number. Please include the best phone number to call, to confirm your appointment

Make sure to submit your help request before Wednesday, August 18. A coordinator will get back to you within 24 hours of receiving your email. Remember that, once you are given an appointment time, you will be receiving a phone call from a private telephone number, at the time of your appointment.

2. If you need assistance registering for courses, please let us know by using the [Course Registration Assistance Request Form](#) so we know exactly how we can help.

Thanks for your participation in OLLI. We can't wait to see you in the fall. Reach out anytime with any questions.

With Warm Regards,

Adam Brunner, Director  
Osher Lifelong Learning Institute
