

Creating a TU AccessNet Account and Accessing Canvas

Temple University Harrisburg Campus

Creating a TU AccessNet Account

Creating a TU AccessNet account gives you access to Canvas, an online learning management system. You must have your TUID (nine-digit # that starts with a 9) to verify your identity for this process.

1. Go to <https://accounts.temple.edu>.
2. Click on **Activate AccessNet account**.
3. Follow the prompts and fill in the required information. You will be issued a **username** and you will create a **password**. Please make note of your **username** and **password**.

A screenshot of the 'Manage Account' page. On the left, there is a 'Log in here to:' section with links for 'Change your password', 'Reset your expired password', and 'Change your security questions'. Below these are input fields for 'AccessNet username' and 'Password', each with a 'Forgot?' link. A red arrow points from a circle with the number '2' to the 'Activate AccessNet account' link in the 'Need Help?' section on the right. At the bottom left, there is a red 'NEXT' button.A screenshot of the 'AccessNet Account Activation' page. At the top, there is a progress bar with steps: 1. Identification, 2. Welcome, 3. Agree to policies, 4. Security questions, 5. Create password, 6. Confirmation. The 'Identification' step is highlighted. Below the title, it says 'To activate your account, you must identify yourself:'. There are three input fields: 'Last Name', 'Your nine-digit University TUID', and 'Date of Birth (mm/dd/yyyy)'. At the bottom, there are 'SUBMIT' and 'CANCEL' buttons.

Accessing Canvas

After creating your TU AccessNet Account, please allow about 15 minutes before trying to log into Canvas. There may be a slight delay between the time you activate your TU AccessNet Account and when you can log into Canvas.

Temple University

Login with your AccessNet Username and Password:

Username

Password

LOGIN

[Login Help](#)

1. Go to <http://canvas.temple.edu>.
2. Log in using the **TU AccessNet username** you were issued and the **password** you created.
3. In the menu on the left, click on **Dashboard**. Then, select the **course** you want to access.

Technical Assistance & Guidance

- Don't see your course in Dashboard? Click on **Courses** in the menu bar to the left (in Canvas). Click on **All Courses**. Add the course you're looking for to your Dashboard by clicking the star to the left of the course. If the course does not appear in the list, contact the program contact person listed on the Temple Harrisburg website where you registered for the course.
- Please visit our **FAQ page** for detailed directions on resetting passwords and other technical assistance.
