4. Enter your DestinyOne username and password into the 'DestinyOne Account Login' section in the center (ignore the other two options) and click 'Log In'

### If you have forgotten your User Name

If you have forgotten your Username, click 'Forgot User Name'

The next window will ask you for the email address that is associated With your DestinyOne account. A few minutes after clicking 'Continue', You will receive an email with your DestinyOne user name.

**WARNING:** your User Name is case sensitive, so you must enter it exactly as it appears in the email. If you don't know how to copy & paste, we suggest writing it down, but as you write it down, please underline any capital letter, make any lower case letter small, and draw a diagonal line through any zero, so as not to confuse it with the letter "o".

If it does not appear in your Inbox, check your Spam or Junk folders.

This page automatically takes you to the 'Enrolled' section which shows you all courses that you are currently enrolled in. If you changed your mind and no longer want to take a specific course, you can click the 'Request Drop' button or you can email [OLLI@temple.edu](mailto:OLLI@temple.edu).

If a course which you registered for does not show up in this list, that means you did not win the lottery for that course.

As always, if you have any questions, please don't hesitate to contact OLLI by email at [olli@temple.edu](mailto:olli@temple.edu) or by phone at (215) 204-1505
