

## Returning Books to the OLLI Library

Dear OLLI Members,

At the time OLLI closed for in-person activities in March 2020, many members had taken books out of the OLLI Library. Other members were thinking ahead and took books out of the OLLI Library in preparation for the COVID lockdown. It is now more than a year later, and these library books have either been read or put aside as not what was wanted.

Adam and I have given a thought to getting these books back to the Library and have come up with the following. A large plastic box has been placed in the 1st floor lobby of the OLLI building in which books can be placed. The box will be available Mondays, Wednesdays and Fridays from 9 AM – 3:00 PM, after Labor Day. An OLLI librarian will periodically gain access to the library and check in the returned books. This box will remain available until the end of October.

Please look around and locate any books you have from the OLLI Library. Then bring them into the OLLI building the next time you can get to our Center City location. For those not living in Center City, this might be when you are coming in for some other purpose. You can contact me by email via [\*\*OLLI@temple.edu\*\*](mailto:OLLI@temple.edu) if you have a particular problem with returning a book.

Thanks,
