

Dear Current and Previous OLLI Members,

We wanted you to know that our fall 2021 virtual semester starts next week, September 21.

- We have approximately 30 courses with openings -- they are some of our most popular courses. We also have several new instructors this year.
- Since we completed the lottery, when you register for a course at this stage in our registration process, you are automatically admitted to the course. You don't have to wait to find out.
- If you would like to join OLLI, you can join for the full year, \$290, or for the fall-only, \$125.
- If you would like assistance with enrollment or registration, please email us at olli@temple.edu. We would be happy to help.
- Whether or not you decide to join, take a look at our new website, noncredit.temple.edu/olli. We think it is a great improvement over the last one, and it should make registering for courses much easier.

Thank you.
